“ Contrast's strategic approach paired with their pixel-perfect designs are an inseparable part of the Post.news launch and results!

The Contrast team are a truly exceptional team of designers, passionate for their craft - and led by Sagi who is one of the top experts I've ever met in the field of Product Design and UX. I'd recommend ANYONE with any digital product to work with Sagi and the Contrast team!

“ Contrast's outstanding strategy & design work set the stage - and is directly linked - to the rapid success & eventual acquisition of our startup!

This achievement could not have been possible without the unwavering support, exceptional designs, unparalleled expertise, and impeccable service provided by Contrast and Sagi's visionary leadership and frameworks.
